Features / Comments

Check out the incredible pricing on Pre-Registered 2024 Eclipse Cross PHEVs! With the XLS model starting at just \$39,990 plus a small dealer delivery fee.

This car boasts an impressive fuel economy of only 2.1L/100 km, a pure EV range of 55 km, and a combined range of over 650 km. The Eclipse Cross provides you with the efficiency of a hybrid and the flexibility of a petrol engine.

For instance, I drive this model about 48 km daily and charge it while at work. I'm achieving a real-world fuel economy of 2.1L/100 km, with 86% of my driving powered by the battery.

Subject to the full Warranty Terms, your new PHEV also comes with a warranty on your vehicle's battery, meaning the Li-ion Drive Battery is covered by an 8 year or 160,000km Warranty.

These cars have impressive power and are a joy to drive, come in and drive one for yourself! Demo model XLS in stock and available to
